INFORMATION ON THE GEOPHYSICAL SCIENCES

[Source: "Adresar Ceskoslovenskeho Tisku" (Directory of the Czechoslovak Press), Vol. I, 1948. Published by ORBIS, Prague].

The list given below is a compilation of Czechoslovak serial publications in the field of geophysical sciences. Some of the publications in the list are of the popular mass-appeal type but have been included in order to give a complete picture of all serial publications pertaining directly or indirectly to geophysics. In each ^{case} ~~are~~ pertinent 1948 data on periodicity, number of copies issued etc., has been included.

VI. NATURAL SCIENCES

1. Mathematics, Astronomy, Geodesy

- a) Kartograficky Prehled (Cartographic Summary) - Vol. 3, bimonthly, 1000 copies. Journal of theoretical and applied cartography. Published by the State Map Collection (Repository) of Czechoslovakia, ⁱⁿ Prague; Dr. Karel Kuchar, Chief Editor; domestic and foreign circulation.
- b) Zememersky Obzor (Surveying Review) - Vol. 9 (36), monthly, 1500 copies. Surveyor's bulletin, journal of geodesy and surveying. Published by SIA, Association of Czechoslovak Engineers, Prague; Engr. Dr. Bohumil Pour, Chief Editor; domestic and foreign circulation.

2. Physics, Chemistry, Meteorology, Geology, Botany, Zoology, Biology, etc.

- a) Ceskoslovensky Kras (Czechoslovakian Karst) - Vol. 2, quarterly, 750 copies. Published by the Speleological Club of Moravia-Silesia, Brno; Antonin Bocek, Chief Editor; domestic circulation.

- h) Vestník Státního Geologického Ústavu CSR (Herald of the State Geological Institute of Czechoslovakia) - Vol. 23, bimonthly, 600 copies. Published by the State Geological Institute of Czechoslovakia, in Prague; under editorship of Editorial Council [no names given]; world circulation.

VII. APPLIED SCIENCES

1. Applied Sciences, General

- a) Vesmír (The Universe) - Vol. 27, monthly, 25,000 copies. Journal of Czechoslovak Natural Scientists. Published by the Institute of General Natural Science, ^(sic) Karlova University and by the Educational Society of the Universe, Prague; University Prof. Dr. Otakar Matousek, Chief Editor; domestic circulation.
- b) Věda a Život (Science and Life) - Vol. 14, monthly, 7500 copies. Popular science monthly. Published by the ^{Ac} Masaryk Public Education Institute in Prague; JU Dr. Jaroslav Kolarík, Responsible Editor; MU Dr. Jan Belehádek, MÚ Dr. Jar. Cisar, MÚ Dr. J. Seřl, Chief Editors; domestic circulation.

X. HISTORY AND GEOGRAPHY

2. Geography

- a) Sborník Československé Společnosti Zeměpisné (Symposium of the Czechoslovak Geographical Society) - Vol. 53, quarterly, 1000 copies, Published by the Czechoslovak Geographical Society, Prague; Prof. Dr. Bohuslav Horák, Chief Editor; domestic circulation.
